Philanthropy

Royal Brompton Hospital, London

Royal Brompton Hospital who as for now, are the main centre in London for the very complicated cases of COVID-19.

I am pleased to have made a donation that will fund food baskets for the amazing NHS staff, who are working so tirelessly on the frontline.

Miles Frost Fund, British Heart Foundation and Resources for Autism

In July 2017, myself along with 60 riders cycled 500km from Milan to Monaco to support the British Heart Foundation, Miles Frost Fund & Resources for Autism. With astonishing support, we were able to raise over £500,000 to support these great causes. Over £20,000 personally raised for these causes.

Elephant Family

In November 2015, myself along with a group of leading Entrepreneurs, Business Leaders, Conservationists & Philanthropists volunteered to ride 500km through Central Indian province of Madhya Pradesh to raise over £1,000,000 for the Elephant Family. The Elephant Family focuses on the protection and conservation of the Asian elephant while also supporting local people with housing, clean water & schools. Over £70,000 personally raised for the charity.
